

July 3, 2021

Dear Sharon, Sofi and SDPTA Members,

I hope this finds you well! The **10th Annual San Diego Half Marathon & 5k** is scheduled for **Sunday, July 18, 2021**. Our race starts at the corner of Harbor Dr. & 5th Ave at 7am and finishes on 5th Avenue & K St. in the Gaslamp. I am writing to notify you regarding some important traffic information.

During our event, portions of our course run through the Port and use lanes as outlined below, **but at no time is any road completely closed**. Delays may be experienced as San Diego Police safely manage intersections and runner crossings. The first runner starts at 7:00am and we are completely clear of the Port by 9:30am. The race will use:

- **All westbound lanes of Harbor Dr, from Cesar Chavez to 1st Ave** as runners pass the Convention Center, Manchester Grand Hyatt, Marriott Marquis & Marina, and Seaport Village. *2-way vehicular traffic will be maintained continuously in the eastbound lanes of Harbor Drive from Cesar Chavez to 1st Avenue to allow complete access to the Hilton San Diego Bayfront, Tenth Avenue Marine Terminal, and Convention Way.*
- **All northbound lanes of N Harbor Dr. from 1st Ave to Ash St.**, as runners pass Tuna Harbor, Navy Broadway Complex, the USS Midway Museum, Broadway Pier and B St Pier. *At least one southbound lane of North Harbor Dr will remain open to maintain a continuous traffic flow throughout the event.*
- **2 bayside lanes of N Harbor Dr., from Ash St to Spanish Landing West**, as runners pass Anthony's Fish Grotto, the Maritime Museum and the San Diego Airport. *2-way vehicular traffic flow will be continuously maintained on Harbor Drive to and from the Airport.*
- **1 southernmost lane of Liberator Way**, as runners pass by the former rental car companies, Harbor Police and airport parking lots, and,
- **Harbor Island Dr.**, as runners pass by the marinas on Harbor Island, Tom Ham's Lighthouse, the Sheraton Hotel & Marina and the Hilton San Diego Airport.

Course setup begins at midnight on Harbor Drive near the start and finish, with most of the traffic control beginning at 6:00am, and the dismantle will end by 9:30am following the last runner, at which time all traffic in the Port will return to normal. To view maps and specific road closure timing, visit: <https://sdhalfmarathon.com/traffic-info/>

Please feel free to contact me at your earliest convenience if you have any questions regarding our event. We wish you much success this summer!

Respectfully yours,

Susan Briggs
